

# General Fire Safety Presentation (Designed for Residents Only)

This course will focus on fire safety and prevention, providing participants with an overview of potential common household emergency situations. Our professional Trainer will deliver an informative discussion on various aspects of home fire safety and prevention topics. All participants will receive a Fire & Rescue NSW Fire Safety and Prevention in the Home booklet and a Fire Extinguisher Selection Chart/ R.A.C.E. Pocket Card.

Our trainer will demonstrate working smoke alarms, extinguishers, and the use of a fire blanket to show participants how to smother fires. There will be no practical use of the fire extinguisher by participants.
